

IT'S SMART

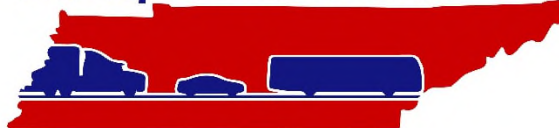

BETTER ROADS SAFE BRIDGES AND TAX CUTS

Smart Spot 10

It's estimated that 2 million more people are moving to Tennessee in the next 20 years. Realtors in Nashville say there are already 84 people arriving in Nashville each day. Rutherford and Williamson counties will grow to be larger than Nashville.

Increasing user fees is the smart way to better roads and safer bridges. In fact, the Tennessee General Assembly can approve the largest tax cut in our state's history AND provide funding for better roads and safe bridges. It's smart to support better roads, safe bridges and tax cuts.
