

IT'S SMART

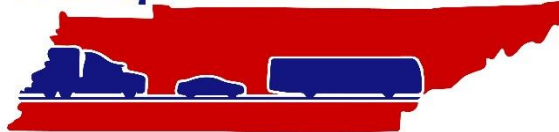

BETTER ROADS SAFE BRIDGES AND TAX CUTS

Smart Spot 11

The Tennessee budget has been steeped in conservative management for years with Lieutenant Governor Randy McNally at the forefront for three decades. Lieutenant Governor McNally has voiced his strong support for Governor Haslam's IMPROVE Act so that we can have better roads and safer bridges.

This bill continues the conservative legacy of funding our transportation system without debt, and provides a clear and undisputed tax cut to Tennesseans. It's been said that you'll save more at the store than you pay at the pump. It's up to our state lawmakers to cut our taxes and provide safe roads and bridges. Randy McNally knows it's smart to have better roads, safe bridges and tax cuts.
