BETTER ROADS SAFE BRIDGES AND TAX CUTS

Smart Spot 7

Ten years from now, Tennessee is going to be a parking lot unless there's an increase to our transportation funding. This year, the Tennessee General Assembly can approve legislation for better roads and safe bridges that includes a 20% tax cut on food. The average Tennessee household will save more at the store than they pay at the pump. It's smart to have better roads, safe bridges and tax cuts.
