

IT'S SMART

BETTER ROADS SAFE BRIDGES AND TAX CUTS

Smart Spot 9

The Tennessee budget has been steeped in conservative management for years with Lieutenant Governor Randy McNally at the forefront for three decades. Lieutenant Governor McNally has voiced his strong support for Governor Haslam's IMPROVE Act so that we can have better roads and safer bridges. This bill continues the conservative legacy of funding our transportation system without debt, and provides a clear and undisputed tax cut to Tennesseans. Randy McNally knows it's smart to have better roads, safe bridges and tax cuts.
